

201.0402 PROCEDURES FOR CHANGING BOARD POLICIES AND ADOPTING NEW POLICIES

The adoption of new policies or changing existing policies is solely the responsibility of the Board. It is important that sufficient time be given to permit further study and to give interested parties an opportunity to react; therefore, no new policies nor policy revisions introduced for the first time shall be adopted until a subsequent meeting. The Board may temporarily approve a policy to meet emergency conditions. However, discussion and a final vote must be taken before the policy shall be formally adopted.
